

FRANZ KENNETH A. NACES

Web Developer

0953-230-3561 - franzkennethnaces@gmail.com - Silang, Cavite, 4118 - linkedin.com/franzkennethnaces

PROFESSIONAL PROFILE

I am drawn to using my systems analysis, software development and programming abilities in an information technology environment. I have practical knowledge of HTML, CSS, and Java mainly for web design and development. I succeed when solving tough problems and am motivated to join efforts to create new and meaningful technology solutions.
